# REPORT OF THE SECRETARY OF STATE

---

STATE OF FLORIDA,

OFFICE SECRETARY OF STATE.

Tallahassee, Fla., Dec. 31, 1914.

HON. PARK TRAMMELL,

Governor of Florida.

My Dear Sir:

In compliance with the requirements of law, I have the honor to submit herewith my report of the transactions of this Department for the years 1913 and 1914.

Owing to the great increase of business in this office, necessitating a much more voluminous report than I have made heretofore, I have deemed it expedient to divide my report into three parts or books.

Very often people who are interested in one portion of my report are not at all concerned as to the balance of it, and I have endeavored to make my divisions so that it will be of the greatest convenience to the people.

In Book or Part I, I have retained the general heads of my report, as it has been made heretofore, which contains a directory of the State and County officials, Notaries Public, and all other commissioned officers, also a statement of the financial transactions of the office, showing all receipts and disbursements, a report of rewards offered and report of the expenses and receipts of the primary election.

Part two contains a report of all charters granted, amendments to charters and of increase of capital stock, both domestic and foreign, as well as a report of Trade-marks filed.

Part three contains a report of all certificates issued for the registration of automobiles and chauffeurs, and transfers of registrations from one owner to another.

Very respectfully,

H. CLAY CRAWFORD,

Secretary of State.
